The diagram illustrates the side front pattern for the 'Greta' design, scaled by a factor of 2. It features a central text area with a stylized 'a:' logo, surrounded by a grid of lines and various geometric shapes. The pattern is defined by multiple colored lines (red, blue, green, yellow, black) that form a series of nested, curved shapes. A vertical line on the left side is marked with a series of small triangles (red, blue, green, yellow, black) and a larger black triangle at the bottom. A horizontal line at the top is marked with a series of small triangles (red, blue, green, yellow, black) and a larger black triangle at the right. The background is white, and the overall design is minimalist and geometric.
